

OLHS Art Festival

Written by Brooke Feldman

On May 7 from 12-4 pm Olentangy Liberty High School, art from kindergarten to 12th grade will be displayed. Art activities for the family and food trucks will also be at OLHS. The amazing interactive activities they set up are so incredible and many liberty families will enjoy the showcase and food trucks.

“The art will showcase the final portfolio from our graduating seniors,” Grant Gilsdorf said. Gilsdorf teaches high school-level art classes. Him and all the other art teachers are picking 20 “star” students in all the art classes that will have a special display in the festival.
